6:00 pm - 7:00 pm - Social hour

7:00 pm - 10:00 pm - Dinner and Awards Ceremony

### Breakout Sessions

Please note that this schedule may change, some sessions will repeat

### Drug testing regulatory review

Get your questions answered: What is the minimum compliance standard? What does a complaint testing policy include? How to run your program for excellence beyond compliance? You will also leave with a better understanding of the terminology as well as an understanding of background screening in relation to compliance. And finally learn how to use screening information to its best.

### 382.603 Compliant Drug and Alcohol Abuse Recognition Training

In this session you will understand the facts concerning impairment and the 5 federally prohibited drugs included in the testing program. Learn to recognize behaviors and symptoms consistent with abuse and understand how to manage a reasonable suspicion drug test.

### CSA 2010 Update

Learn how the first wave of implementation has affected companies and what you can expect going forward. Get the latest on this very important new safety rating tool.

### Know your workers - The New Independent Contractors

Updating one of the most important issues in carrier staffing: who is (and isn't) an independent contractor?

### Carriers as Property Brokers: Risk-Free Solution?

Some carriers seeking to mitigate expense and liability exposures elect to handle some shipments as property brokers. Does it work? Find out here.

### Handling HazMat: Keeping you clean

Find out how you can keep your company in the clean and avoid a hazardous material mishap before it happens.

### Cargo Securement Updates

The questions are still coming in, attend this session and get your questions answered about your cargo securement obligations.

### What's New In Your Cab

Learn what new in-cab technology is available and may soon be coming to your cab.

## Wednesday - February 17, 2010
